The Residences at North Beach

Atlantic City, NJ

This beach community will feature townhouses over flats over garages. This residential mix will combine two market segments; full-time and part-time residents. The neighborhood is just two blocks from the beach and has several neighborhood amenities within a five minute walk. A 4,000 sf clubhouse and pool will compliment it's Victorian / waterfront inspired design.

Residential - 270 du

Townhouse - 135 du @ 1,800 sf

Flat - 135 du @ 900 sf
